

Amendment Number III to the 2018-2019 HCC Bulletin

ACCREDITATIONS AND MEMBERSHIPS

Mississippi State Department of Education
Southern Association of Colleges & Schools Commission on Colleges Mississippi Association of
Community & Junior Colleges
American Association of Community & Junior Colleges
Mississippi Association of Colleges
National Junior College Athletic Association (NJCAA)

Holmes Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the associate degree and certificates. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500, or at <http://www.sacscoc.org> for questions about the accreditation of Holmes Community College.

The Commission may be contacted to:

- Learn about the accreditation status of the institution,
- File a third-party comment at the time of the institution’s decennial review, or
- File a complaint against the institution for alleged non-compliance with a standard or requirement.

Inquiries about the institution, such as admission requirements, financial aid, educational programs, etc., should be addressed directly to Holmes Community College, (662) 472-2312, and not to the Commission’s office.

Page 30 (Effective Fall 2019)

CLASS STANDING

A student’s classification is determined by the amount of work completed, as follows:

- Freshman..... 0-29 semester hours
- Sophomore30 and above semester hours

Page 100

Phi Theta Kappa (Goodman, Grenada, Ridgeland).

Phi Theta Kappa is the international scholastic honor society for community colleges. Its purpose is to recognize intellectual achievement, and to promote scholarship, service, leadership, and fellowship among community college students. PTK Membership Requirements are as follows:

- Have completed at least 12 hours of courses at Holmes Community College leading to a degree or certificate. Grades and credits for courses completed at other institutions will not be considered when determining membership eligibility.
- Have no remedial classes count towards their 12 hours of courses leading to an associate degree or certificate.
- Have achieved a cumulative grade-point average of at least 3.50 (on 4.00 scale) at Holmes Community College, indicating academic excellence.
- Be enrolled in at least three semester hours during the semester in which the member is inducted.

Invitations may be extended during Fall, Spring, or Summer semesters through various methods of communication, including school email and US email.

Aviation Management

First Year

Paralegal Technology is designed to prepare a person for entry-level employment as a paralegal in courts, corporations, law firms, and government agencies. Paralegal Technology requires courses in the career-technical core, designated areas of concentration, and the academic core. The program offers a Technical certificate, an Advanced Technical Certificate and an AAS degree. The curriculum is based on standards developed from the National Association of Legal Assistants' Descriptions of Certified Paralegal (CP) Exam Sections. Additional research data used in the development of this publication was collected from a review of related literature and from surveys of local experts in business, industry, and education.

*Approved Electives: BAD 2533, BOT 1233, BOT 1273, CRJ 2323, LET 2383, LET 2463, LET 2523, or any other technical or academic course approved by advisor.

Assistance with math and/or reading will be available on a co-curricular basis to certificate-seeking students who lack entry-level skills in math and/ or reading.

Enrollment in a minimum of 15 hours each semester is recommended for eligibility for state aid, institutional scholarships, and the tuition break.

PROGRAM DESCRIPTION: The **Welding and Cutting Technology** program prepares students for entry level employment in the field of welding and cutting. Students will develop skills in the use of arc welders, oxyacetylene torches, and plasma cutting machines. Gas tungsten arc welding techniques are taught on both ferrous and nonferrous materials. Classroom instruction is provided in blueprint, welding, welding theory, and welding machines.

*Approved Electives: WLT 1162, WLT 1912, WLT 192(1-6), WLT 2812, WLT 2913, or any other technical or academic course approved by advisor.

Assistance with math and/or reading will be available on a co-curricular basis to certificate-seeking students who lack entry-level skills in math and/ or reading.

Enrollment in a minimum of 15 hours each semester is recommended for eligibility for state aid, institutional scholarships, and the tuition break.

Page 244, Added Course Description **ENG 281(1-2) Writing Center Peer Tutoring**

ENG 281(1-2) – Writing Center Peer Tutoring (Prerequisite: ENG 1123).

This course introduces students to writing center history, theory, and practices; preparing them to work in writing centers as peer tutors. One to two lectures. One to two hours credit.

Page 252, Revised Course Description **MAT 2323 – Statistics**

MAT 2323 – Statistics (Prerequisite: MAT 1313 or appropriate placement score for MAT 1613).

Introduction to statistical methods of describing, summarizing, comparing, and interpreting data to include probability distributions, sampling, estimation, confidence intervals, hypothesis testing, Chi-squared Tests, ANOVA, and correlation. Three lectures. Three hours credit.

I certify the above amendment is true and correct in content and in policy.

Dr. Fran Cox, Vice President for Academic Programs
