On your Free Application for Federal Student Aid (FAFSA) you answered "yes" to one or both of the following questions:

"Do you have children who will receive more than half of their support from you, now (date FAFSA completed) and through the end of the academic year?" OR

"Do you have dependents (other than your children or spouse) that live with you and who receive more than half of their support from you, now (date FAFSA completed) and through the end of the academic year?"

Support for your children or dependent(s) includes housing, food, clothing, medical, dental care, childcare, money, gifts, etc. that you provide.

Resources that enable you to provide the support can include: (1) earnings you receive from work or in-kind support (housing/food in exchange for work), (2) assistance you receive from other agencies (such as Medicaid, Temporary Assistance for Needy Families/TANF, and food stamps/SNAP). **Money you receive from your parent(s) cannot be included as resource for your dependents' support. For financial aid purposes, foster children are not considered to be legal dependents.**

List your dependent(s) if, at the time you completed your FAFSA, they lived with you and received **more than half of their support from you** and will continue to receive more than half of their support from you through the end of the academic year. Complete certification below.
