

#### **4.2.8 Transfer Credits**

Only credits transferred from an institute which is accredited by The Southern Association of Colleges and Schools Commission on Colleges (or other regional accreditation agency) will be accepted by Holmes Community College. The cumulative totals of hours attempted, hours passed, and quality point average will be reproduced on the permanent record of Holmes Community College.

Transfer work is evaluated when an official transcript is received by the Holmes Community College Articulation Office.

To meet the graduation requirements for an associate degree, transfer students must have a grade point average of 2.00 (“C” average) on all hours applied to the degree. For the purposes of all computations, only transcripts from colleges accredited by SACSCOC (or an equivalent regional accrediting association) will be used. Hours and quality points from colleges not accredited by SACSCOC (or an equivalent regional accrediting association) will be disregarded since this credit will not apply toward the degree.

Complete details regarding transfer credits may be found under “Transfer Credits” in the [HCC Bulletin](#).
