Instructions: Please review the following options, select the option that best describes your situation, and follow the instructions provided.

- 1. I checked the box on the FAFSA in error and am willing to provide parental information.**
 - Please make a correction to FAFSA at www.fafsa.ed.gov in order to add parental information and a parent’s signature. This form does not need to be returned.
- 2. I feel I have special circumstances that exclude me from being able to provide parents’ information on the FAFSA.**
 - HCC Financial Aid may override the federal dependency requirements in very limited and extreme circumstances. If you feel that your situation may warrant a dependency override, please complete the 2015/2016 Requests for Dependency Status Review Form, and return it to our office along with the appropriate documentation.
 - **Please Note: Parent’s unwillingness to provide the information or inability to help support you are not acceptable reasons for a dependency override.**
- 3. I am applying for a Federal Unsubsidized Loan only.**
 - If you are not using parental information on the FAFSA, you have the option of applying for an Unsubsidized Stafford Loan.
 - If you choose this option, please have your parent complete the information below. This must be signed by both your parent and yourself. Federal law requires that HCC Financial Aid verifies that the parent(s) have ended financial support for the student and refuse to complete the parental section of the FAFSA.
 - **Please note:** Unsubsidized Stafford Loans accrue interest while you are in school. You have the option to pay on the interest while you are in school or have it capitalized.

By completing this portion of the form, you are choosing Option 3 described above.

To be completed by the parent:

I certify that I am not providing financial support nor will provide future financial support to the above named student. I refuse to complete the parental section of the 2015/2016 FAFSA.
