Tips for YOUR Student's Success

It's important for you to take a moment and go over the following information to ensure your student is positioned for a successful year.

Encourage your student to:

- Be responsible, be respectful, and be themselves!
- Attend class and participate – get to know their instructors.
- SYNC Microsoft 365 (student email) with their phone and check DAILY!
- Use a calendar/planner daily - know important dates and deadlines.
- Get to know their Advisor - info on their student profile.
- Understand Degree Evaluation to monitor progress towards graduation and/or transfer.
- Get involved and make friends.
- Be familiar with scholarship and financial aid requirements - GPA, SAP, etc.
- When in doubt, ASK for help!
- Be resourceful – use student resources. (Library, Writing Center, Virtual Career Center, Counselors, Brainfuse, Peer Tutoring, MATT, Mosaic, Need Help, etc.)
- **Grant you access to the Parent Portal.**
