

# Basic Conversational Spanish

## The Instructor is Lina Lopez

born in Colombia, South America, and raised in the U.S. I have lived in many states including Florida, Texas, Nevada, Kansas, and Mississippi. Living in all of these states is what has given me the opportunity and the privilege to speak both the English and Spanish languages while also experiencing a vast amount of cultures.

## Education -

Bachelors of Health Science degree from The University of Mississippi Medical Center.

The purpose of this class is to allow participants to engage in basic conversational Spanish. The Participants will practice basic Spanish vocabulary in a classroom atmosphere and the vocabulary will be introduced phonetically. In addition, particular letters of the alphabet that affect the pronunciation of basic everyday terms will be explained. Participants will also learn colors, numbers, days of the week, and common greetings. Other topics will include: time, directions, and basic menu items. *(This is not a grammar class.)*

Please note: The last class meeting will be held at a Mexican restaurant in order to give the participants an opportunity to order their meal in Spanish.

*(Participants will be responsible for the cost of their own meals and for providing their own transportation.)*

## Course Dates & Times:

Wed/Thurs Evenings – June 5 – June 27
