

ZOOM LOGIN WITH SSO

In order to enhance overall institutional security, Holmes Community College's Information Technology Services has successfully implemented Single Sign-On (SSO) authentication for Zoom. As a result, users now benefit from a unified login experience, utilizing a single set of credentials for all their Holmes-related digital access points.

- 1 Open the **Zoom App** on your phone or desktop
- 2 Click the **SSO** sign-in option.

- 3 Enter **holmescc** as the company domain
