\*Consult your chosen transfer college to determine changes to this curriculum.

*Students should plan to take the **Praxis I** (Pre-professional Skills Test) the first semester of their sophomore year or early in the second semester. Students must have met the minimum required score on the Praxis I before they will be accepted in an education program at a senior college. Acceptance into an education program is necessary before students can enroll in required junior or senior level education courses.*

*If students are interested in pursuing supplemental endorsements in their Mississippi Teacher Licenses, it would be wise to pick up any elective hours in a common subject area such as Biology, Mathematics, Social Studies, etc. Check your college transfer catalog for other HPR courses that will transfer.*
